

Congo Explosion-proof Distribution Box Manufacturers

AI Overview

Several international and regional manufacturers supply explosion-proof distribution boxes suitable for hazardous environments in Congo, including certified products from Germany, China, and global suppliers.

Key Manufacturers and Suppliers

Congo Lighting (Germany) This company specializes in explosion-proof distribution boxes and lighting solutions. They offer a range of products suitable for industrial and hazardous environments, and you can contact them directly through B2B marketplaces for wholesale inquiries.

DDY Group Co., Ltd. DDY provides explosion-proof distribution boxes designed for safe power control in hazardous areas. Their products include integrated control safety cabinets, sockets, maintenance lighting, power supply switches, and junction boxes. These systems are built to prevent sparks and electrical explosions while supporting organized electrical control and easier maintenance.

CZ Electric Co., Ltd. (China) Established in 1990, CZ Electric manufactures explosion-proof isolation switches, safety switches, and MCB boxes. Their products comply with ATEX EU and IECEx international standards, and the company has global agents in 28 countries. CZ Electric is suitable for industrial applications requiring certified explosion-proof electrical equipment.

Ouhui Lighting Ouhui offers explosion-proof lighting distribution boxes suitable for environments with explosive gases (Class II A, II B) and temperature groups T1-T4. Their products are shock-resistant, durable, energy-efficient, and certified for international standards, making them applicable in railways, petrochemical plants, and large industrial facilities.

MAM Ex Electrical Equipment MAM is a global manufacturer of certified Ex electrical equipment, including explosion-proof distribution systems, control panels, junction boxes, and enclosures. Their products are ATEX and IECEx certified, design...
