

Cost of Swiss Galvanized Cable Trays

AI Overview

Swiss galvanized cable trays typically range from CHF 30 to CHF 150 per meter, depending on size, type, and supplier. Overview Galvanized cable trays in Switzerland are available in various types, including ladder trays, wire mesh trays, and solid-bottom trays, with common materials being hot-dipped galvanized steel or galvanized steel sheet. The price depends on factors such as:

- Tray type:** Ladder trays are generally more expensive than perforated or wire mesh trays due to higher material usage and load capacity.
- Dimensions:** Widths range from 30 mm to 620 mm, heights from 22 mm to 110 mm, and lengths typically 2.5 m to 3 m. Larger trays cost more per meter.
- Material thickness:** Standard galvanized steel thickness ranges from 1.5 mm to 2 mm, affecting weight and price.
- Certifications:** UL-certified or E-90 fire-rated trays may carry a premium.

Supplier Guidance Distrelec Switzerland stocks a wide range of cable trays and accessories with next-day delivery, suitable for both small and large projects. Indupart offers the X-Tray system with galvanized steel, stainless steel AISI 304L/316L, and UL-certified options, ideal for extensive installations. Legrand and other European suppliers provide hot-dipped galvanized steel trays in standard sizes (e.g., 3 m x 150 mm x 50 mm) with online ordering options.

Price Estimation

- Small wire mesh or perforated trays: CHF 30–50 per meter
- Medium ladder trays (150–300 mm width): CHF 60–100 per meter
- Large heavy-duty trays (up to 620 mm width): CHF 120–150 per meter

For exact pricing, it is recommended to request a quote directly from suppliers like Distrelec or Indupart, as prices can vary based on quantity, delivery, and customization.

Additional Considerations Accessories such as brackets, covers, and connectors may add 10–20% to the total cost. Bulk orders often qualify for discounts. Ensure the selected tray meets load capacity and environmental class requirements for your installation. By consulting supplier catalogs and requesting quotes, you can obtain precise prici...
