

Dutch fiber optic cable installation price

Overview

Cost: €135 (including installation and materials). What do you pay for a fiber subscription?

If you want to use fiber optic, you need a subscription with an internet provider. Most basic packages start at 100 Mbit/s, for which you can expect to pay around €35 to €45 per month. Budget: €25-45/month (100 Mbps from Budget Thuis), Standard: €40-60/month (300 Mbps from Ziggo €39. Generally, the cost of Dutch internet isn't high. For instance, the cheapest internet only subscription costs €30 per month (Youfone), whilst the most expensive choice costs you over €100,- per month. When it comes to internet providers in the Netherlands, prices vary depending on provider and what package you go for. Here are some popular internet providers: If you're unsure which internet provider is right for you, why not use a price comparison site to compare options?
