

Good cable tray companies in Northern Europe

AI Overview

Northern Europe hosts several reputable cable tray manufacturers, including Germany's Pohlcon, Duelco, and Icotek, as well as France's Legrand and Italy's Spina Group, offering high-quality, standards-compliant solutions. Leading Manufacturers in Germany Germany is a hub for cable tray production, known for precision engineering and high-quality products. Notable manufacturers include: Pohlcon GmbH: Offers a wide range of ladder and modular cable trays, focusing on industrial and commercial applications with durable, energy-efficient designs. Duelco: Specializes in flexible and reliable cable management systems suitable for manufacturing plants and data centers. Icotek: Provides innovative smart cable management systems and EMC solutions, serving over 60 countries. Tsubaki Kabelschlepp: Known for cable carriers and protection systems, with a strong global presence. Niedax Group: Offers extensive cable tray and support systems for construction, energy, and transportation sectors. Other German manufacturers include Rosenberger-OSI GmbH, TKD KABEL GmbH, and BeWo Kabel GmbH, all providing a variety of cable tray solutions for industrial and commercial projects. Manufacturers in Other Northern European Countries While Germany dominates the Northern European market, other countries also host notable manufacturers: Legrand (France): Produces the Cablofil wire mesh trays, known for easy installation and adaptability across applications. Spina Group (Italy): Specializes in ladder and perforated trays for heavy-duty industrial and shipbuilding applications. Key Considerations When selecting a manufacturer in Northern Europe, consider: Compliance with standards: Most European manufacturers adhere to EN 61537, ISO 9001, and some meet IEC standards for global compatibility. Material options: Galvanized steel, stainless steel...
