

Kuwait Cable Tray Wholesale Manufacturer

AI Overview

Al Nafe Group, EBOMAC, and Bahman Group are among the top cable tray wholesalers in Kuwait, each offering high-quality products and extensive project experience. Leading Suppliers Al Nafe Group specializes in FRP/GRP cable trays that are corrosion-resistant, fire-retardant, and UV-resistant, making them ideal for harsh environments. They offer ladder and perforated trays, along with a wide range of fittings and accessories, and are recognized for their automated manufacturing and premium quality standards. EBOMAC provides medium and low voltage switchgear as well as cable trays. Established in 1979, they are known for tailor-made solutions, local support, and certified products, making them a reliable choice for industrial and infrastructure projects. Bahman Group operates one of the largest cable tray manufacturing facilities in Kuwait, producing GI raceways, cable ladders, and trunking. Their products are widely used in government projects, hospitals, and universities, reflecting strong local project experience and compliance with industry standards. Keplic also offers cable management solutions in Kuwait, though detailed product information is limited in the available sources.

Considerations for Choosing a Supplier

Material and Durability: FRP/GRP trays (Al Nafe) resist corrosion, while GI trays (Bahman) are cost-effective for standard installations.

Project Experience: Suppliers like Bahman and EBOMAC have proven track records in large-scale infrastructure projects.

Product Range: Al Nafe Group provides extensive fittings and accessories, which can simplify installation and maintenance.

Certifications and Quality: EBOMAC emphasizes certified products and local support, ensuring compliance with safety and performance standards. For a comprehensive list of suppliers, directories like ATN Info provide additional options for ladder, perforated,...
