

# Mexican Industrial Distribution Box Models and Specifications

## AI Overview

Mexican industrial distribution boxes are available in a variety of models with different sizes, connection types, and protection ratings, suitable for diverse industrial applications.

**Overview of Models**

**TOP Series Distribution Boxes**

**Models:** TOP-TS, TOP-TF, TOP-LS, TOP-PS, TOP-PF, TOP-S

**Number of ways:** 1-way to 36-ways

**Dimensions:** Length, width, and height vary by model

**Mounting:** Standardized mounting sizes for industrial panels and surfaces

**Plug-in Industrial Distribution Boxes**

**Built-in plug-in equipment** compliant with CEE standards

**Individual circuits** protected by installation circuit breakers, switch-gears, or fusible cut-outs (DO or D II)

**Includes** terminals, contactors, control switches, signal lights, and push-button switches

**Designed** to prevent overloads, short circuits, and incorrect phase connections

**Suitable** for industrial workshops, building sites, and farming facilities

**Phoenix Contact Distributor Boxes**

**Connection methods:** M8 or M12 sockets, M12 PUSH-PULL female connectors

**Number of slots:** Typically 8, with 3-5 positions per slot

**Status display:** PNP or none, depending on model

**Master cable connection:** Fixed or pluggable screw connections, M23 plug-in for fast-locking systems

**Features:** Tool-free installation, Y distributors for multiple signals per slot, fully molded for PCB protection, and options for metal or plastic threads

**IP65 Industrial Distribution Boxes (Solera Indubox)**

**Protection:** IP65, ideal for harsh industrial environments

**Module capacity:** 3 to 48 modules

**Construction:** Robust, high-quality materials for durability

**Mounting:** Surface-mounted design for easy and secure installation

**Applications:** Electrical installations requiring high protection and flexibility

**Key Specifications**

**Voltage Compatibility:** Commonly 24 V, 230 V, and 400 V

**Cable Lengths:** Standard options include 1 m, 2 m, 3 m, 5 m, and 10 m

**Material:** High-quality...
