

Nordic Fiber Distributor Box

Overview

It combines fibre splicing, splitting, distribution, storage, and cable connection in a single solid Protection box, and it is easy to maintain and extend the capacity. The Norden Fibre distribution box is designed for the external environment. Splice boxes & accessories from EFB-Elektronik ✓ distributors, module racks & subracks ✓ fiber optic termination boxes ✓ Order online today! Fiber Distribution Hub (FDH): FDH closures are used in fiber-to-the-home (FTTH) networks to distribute fiber optic connections to multiple households. They often include a splitter for signal distribution. NORDEN Fibre optic DIN rail mounted terminal box is available for the distribution and terminal connection for various kinds of optical fibre system, especially suitable for mini-network terminal distribution, in which the optical cables, patch cords or pigtails are connected. It combines fibre splicing, splitting, distribution. DIN Rail Box OS2 G652D 12xLC/APC Pigtail ready to splice, 6x LC/APC Duplex Adpt.
