

Price of corrosion-resistant lighting distribution boxes in Nigeria

AI Overview

Anti-corrosion lighting distribution boxes in Nigeria typically range from ₦35,000 to over ₦150,000 depending on size, material, and certification.

Pricing Overview

- Standard Industrial Boxes:** Stainless steel or powder-coated metal distribution boxes designed for corrosion resistance are available on Jumia and Jiji, with prices starting around ₦35,000 for smaller units (e.g., 400 x 300 x 170 mm) and increasing with size and features.
- Flame-Retardant Plastic Boxes:** Compact, indoor-use distribution boxes with anti-corrosion properties are priced lower, often between ₦20,000 and ₦50,000, suitable for residential or light commercial applications.
- ATEX-Certified Anti-Corrosion Boxes:** For hazardous environments such as oil, gas, or chemical plants, ATEX-certified stainless steel enclosures with anti-corrosion coatings are available. Prices for these specialized units are higher and can exceed ₦150,000, reflecting compliance with international safety standards and enhanced durability.

Factors Affecting Price

- Material:** Stainless steel and aluminum offer superior corrosion resistance compared to standard powder-coated steel or plastic.
- Size and Capacity:** Larger boxes with more circuit capacity or DIN rail configurations cost more.
- Certifications:** ATEX or explosion-proof certifications significantly increase cost due to compliance with safety standards.
- Features:** Transparent viewing windows, electromagnetic locks, and high breaking capacity circuit protection add to the price.
- Supplier and Location:** Prices vary between online marketplaces (Jumia, Jiji) and specialized industrial suppliers (Industry Safety Nigeria), with bulk procurement often offering discounts.

Where to Buy

- Jiji.ng:** Offers a wide range of electrical boxes from ₦1,300 to ₦35,000 and above, including anti-corrosion options for residential and industrial use.
- Jumia Nigeria:** Provides distribution boxes with superior corrosion resi...
