The Senko Smart Cleaners are dry cloth cleaners specially designed to clean single fibre connector Looking to Buy?

Connectix Credit Account Holders can now buy online! - Take advantage of our online shop, bespoke pricing, order tracking and much more! Create an Account / Login Require Project. The electric fiber endface cleaning pen can completely remove anhydrous stains from the fiber endface and carry the stains away; Its high rotation speed achieves an effect similar to endface polishing, making it especially suitable for stubborn stains on fiber endfaces that haven't been cleaned for. The CLE-ELE-M is a high-performance motorized fiber optic end face cleaning tool, suitable for cleaning 2. The Smart Cleaner uses the mechanical push action to advance an optical grade cleaning tape while the cleaning tip is rotated. Improves Fiber speeds - Our SC Fiber Optic Cleaner improves signal speeds by removing debris from Fiber Cables & Connectors.
