

Uganda Photovoltaic Cable Tray Company

AI Overview

Key manufacturers and suppliers of cable trays for solar PV installations in Uganda include Arc Control Ltd, Build Matt, Tronic Uganda Limited, and Legrand Uganda. Leading Manufacturers and Suppliers Arc Control Ltd is an ISO 9001:2015 certified electrical engineering company based in Kampala, Uganda. They specialize in the design and manufacturing of cable trays, cable ladders, bus ducts, and electrical switchboards, offering solutions suitable for power distribution and photovoltaic systems. They provide both fabrication and installation services, ensuring compliance with safety and quality standards. Build Matt offers high-quality steel cable trays and accessories for industrial, commercial, and construction projects. Their products include perforated and solid-bottom trays, custom supports, elbows, tees, splice plates, and connectors. Steel trays are galvanized or powder-coated for corrosion resistance, making them ideal for outdoor solar PV installations. They also provide CNC cutting, welding, and professional installation services. Tronic Uganda Limited supplies mechanical support systems for electrical cables, including cable trays for power distribution, control, and communication. Their trays are suitable for overhead or under-floor installations, supporting large quantities of cables efficiently. Legrand Uganda (Cablofil) specializes in wire mesh cable trays, offering flexible and scalable solutions for cable management. Their trays feature a 90% open structure for ventilation, corrosion-resistant finishes, and quick-fix systems for easy installation. Cablofil trays are suitable for both indoor and outdoor photovoltaic projects and comply with international standards such as IEC 61 537.

Considerations for Photovoltaic Installations

Material Choice: Steel (galvanized or powder-coated) and wire mesh trays are preferred for durability and corrosion resistance in outdoor solar PV systems.

Load Capacity: Ensure trays can support multiple solar cables, including DC and AC lines.

Accessories: Use elbows, tees, and...
